Will do. I got a non-answer back from him but, when I looked him up, I realized he one of the

reporters down there who plays pretty loose with facts so I'll keep an eye on the Durango Herald just to make sure this doesn't resurface.

Done. Will let you know if I hear anything back but I'm not expecting anything. If he does call, and wants anything more than what we've already said, should I give him your number or route him to [Press@epa.gov](mailto:Press@epa.gov)?
